

CALL FOR LONG-TERM EVS

IN HUNGARY 2016

Talentum Foundation is looking for 2 EVS volunteers to spend 12 months in Szeged (South of Hungary), from January 2016 till December 2016.

Project description: The two EVS volunteers will be a part of the Talentum staff and get the chance to participate in various activities of the Foundation. The project mainly aims to enhance the intercultural exchange between the foreign volunteers and the local community as well as providing mutual learning opportunities with the focus on the promotion of volunteering.

Talentum Foundation currently hosts 2 EVS from Italy and Germany. Follow their blog on: <https://kikicsoda.wordpress.com/>

Contact details: Talentum Foundation

Contact person: Regina Laurinyecz

E-Mail: evs@talentumonkentes.hu

ABOUT US:

„Talentum Foundation for the Support of Volunteering”, was established in 2002 with the objectives of helping and supporting the activities of volunteers in the South-Plain region by trainings, counselling and services, offered for both volunteers host organizations.

We are a qualified Volunteer Centre for the whole Csongrád County, so we coordinate the work of 10 volunteer points. Together with the partners in the network we spread the spirit of volunteering in the Hungarian society and beyond. Our inland volunteers' activities are the following: administration, activities on behalf of those in needs, environmental activities, volunteering in hospitals, museums and theatre, multiplier activities, popularize volunteering, tutoring.

For more information visit: http://talentumonkentes.hu/sites/default/files/talentum_foundation.pdf

The project is located in Szeged, very close to the Serbian and Romanian border and 160km from Budapest. It is one of the most developed towns of Hungary with approx. 160.000 inhabitants. Szeged is also called the city of sunshine with Mediterranean feeling, youthful atmosphere due to the 30 thousand students in town. Besides its good location and safety it has lot to offer and ensures a pleasant stay. Visit:

www.budapest.com/hungary/cities/szeged.en.html

The tasks of the volunteers will be:

- promotion of mobility programmes, including EVS, through establishing promotional materials city events and festivals, online presence via social media, webpage and blog
- supporting the preparation of sending and hosting international volunteers
- cooperation with Volunteer Points in smaller municipalities, involvement in their local projects, organisation and implementation of own workshops and clubs
- get involved and organize volunteer activities and related trainings, clubs based on non-forma methods
- visiting schools and implementing activities for the kids/youngsters, sharing own culture
- taking part in the development of international co-operations and projects
- furthermore, implementing personal projects with the involvement of local and foreign young adults, teenagers and partners in local and international scale as well

Volunteers' profile:

We are looking for two motivated youngsters who can bring enthusiasm and their own creative ideas to our organisation. The volunteers should be willing to work both with people and do office tasks. Strong will to learn Hungarian is more than welcome.

Selection process:

We receive applications till the **27th March** to evs@talentumonkentes.hu. Please send us CV and specific motivation letter to the project. Suitable candidates will be notified on the **31th March** and invited to a skype interview.

More details: www.europa.eu/youth/vp/organisation/36000428645_sv

The volunteers will live together in a shared apartment in the city centre of Szeged. They will also attend a Hungarian language course.

Talentum Foundation is looking forward to working with You!
